Description

The NOVURANIA CHASE 38 is a noteworthy luxury tender with an overall length of 38 feet (11.6 meters), fuel capacity of 856 liters and water capacity of 80 liters. Available engine types are Volvo Penta KAD300 . This vessel can seat up to 12 and has a CE boat design category B. Standard features include custom gelcoat colors on hull and deck, leather wrapped steering wheel, carbon fiber panels, plush helm seats, wrap-around bow seating, aft seating & sun pad with folding backrests, a recessed bow-dodger in your choice of color with a teak overlay, a flip up bow light, pull-up stern light, engine compartment LED light, courtesy blue LED blue deck lights throughout the deck and a side entry door (with removable stainless steel boarding handrail) . This impressive luxury tender also includes yacht quality stainless steel 316 hardware throughout to match the quality of the mothership. She includes also a bow thruster, anchor windlass system (designed to the shape of the hull for effortless towing), ESPRIT Top or T-top in various styles, electronics packages with VHF, GPS, and Stereo system. There is a freshwater wash-down system, large stainless steel bow tow bit with port and starboard tow eyes for a three-point tow system. Stainless steel features include large stainless steel removable platform rails, and retractable stainless steel swim ladder.
