Description

The Manhattan Series is built on an award-winning, spacious, mid-sized flybridge yacht that demonstrates new standards of comfort and relaxation. The "Lady in Blue" is kept in superb condition, with an innovatively built galley and dining area, designed for comfort and ease like her saloon. The master's cabin is fitted with a king size bed, panoramic windows and en suite facilities. This specific yacht has one owner as of late, and is always professionally maintained by an experienced crew of two. She is packed with all the available options and is a unique opportunity for a turn key yacht for the forthcoming summer season. Strategically located in the southern part of Attica, she is ready to venture at any time into the Eastern Aegean and the Cyclades. Easily accessible from the Athens International Airport (30 minutes) and can be viewed at any

time. Currently laying ashore.
