Description

For Ever is a Pershing 80 Open model built in 2008 and last refitted in 2023 (overall exterior painting from present color to white pearl color)! She has been designed to comfortably accommodate up to eight guests in four cozy cabins - one Master, one VIP and two Twin cabins. Built with a GRP hull and GRP superstructure, consumes transit fuel, she has impressive speed and great efficiency thanks to her planing hull. Powered by two diesel MTU (16V 2000 M93) 2.400hp engines, she comfortably cruises at 33 knots, and reaches a maximum speed of 48 knots with a range of up to 330 nautical miles. Her low draft of 1.40m/4' 8" makes her primed for accessing shallow areas and cruising close to the shorelines. Plenty of room all over the deck bow and aft side, roomy salon area offering relaxing time on board.
