## Description

Bavaria S29 (2022) Immaculate Condition - Low Engine Hours (50) - Fully Equipped The Bavaria S29 effortlessly blends modern design with top-tier performance and luxury, making it perfect for those who appreciate both elegance and adventure on the water. Powered by twin Volvo Penta D3-220 EVC (2 x 220 PS/mhp, 2 x 162 kW) engines with only 50 hours of use, this yacht ensures smooth, responsive handling and exceptional fuel efficiency for both coastal cruising and weekend escapes. With an average fuel consumption of just 1.8L per nautical mile, it offers an economical yet exhilarating boating experience. This VAT paid yacht has always been privately used, remaining in exceptional condition. The interior features a spacious saloon with a convertible double bed, making overnight stays comfortable. The well-equipped galley ensures long cruises are made easy, and the open cockpit with a central console offers effortless handling and ample space for entertaining. The yacht also comes with a Dometic 12,000 BTU air conditioning system, providing a cool, comfortable environment on even the hottest days. The interior is further enhanced with vinyl-covered ceiling panels and Floor Elm, creating a modern and luxurious atmosphere. For navigation and safety, the Navigation Package includes essential features such as a transducer for speed, depth, and temperature (DST800), and a Simrad GPS/Plotter NSSevo3S 9" Multifunction Display. The yacht also offers GoFree Wi-Fi integration and NMEA network connectivity, ensuring you have everything you need for safe and efficient navigation. Additionally, the electric bow thruster (40 Kfg) with a separate battery provides excellent maneuverability in tight spaces. The dark grey hull stripe and sun pad on the foredeck add to the yacht's striking appearance, while the teak-finished cockpit and bathing platform enhance its functionality. Whether you're cruising the coast or enjoying a day on the water, the Bavaria S29 is designed for comfort and performance. For further details or to schedule a viewing, please feel free to contact us.
